

SHADOWLINE

HOME

A striking two-level contemporary home defined by crisp architectural lines, a bold black-and-white exterior palette, and a commanding upper-level form that elevates its street presence. The ground floor centres around an expansive open-plan living, dining, and kitchen zone complete with a dedicated scullery, flowing seamlessly to the outdoors. A private guest bedroom with walk-in robe and adjacent bathroom sits conveniently on this level, while the upper floor forms a family sanctuary with three generous bedrooms, including a luxurious master suite with dual walk-in robes and ensuite.
