HOME

Maren is a modern gabled residence designed for balance, simplicity, and functional living. Its modest footprint conceals a well-zoned interior layout. A private master suite sits at the rear, while two equally sized bedrooms and a large shared bathroom complete the sleeping quarters. Thoughtful extras like a scullery, laundry, and full garage ensure everyday convenience. Wrapped in timber cladding and metal roofing, this design marries architectural sharpness with the warmth of natural textures—perfect for contemporary lifestyles that favour clarity and comfort.
